

Lay the Groundwork Performance Assessment Task

Directions

Post a Response in the **Assessment 1: Program Quality Forum**. Consider how you rated yourself on the Program Quality Rubric. Then post a response in the forum. Include the following information in your response:

1. The components of outcome assessment you already have in place
2. What you want to achieve by developing an outcome assessment plan
3. One goal you have for this course.

Target Course Competencies

1. Examine the components of outcome assessment planning

Scoring Standard

You must achieve a "met" rating on your post to demonstrate competence and pass the assessment. You may update your post with more information or a revision if needed based on your instructor's feedback.
