

WIDS Scaffolded Assessment Plan Performance Assessment Task

Directions

COMPLETE the Online Scaffolded Assessment Plan Worksheet.

1. Select one of your recently developed competencies and the associated assessment strategy.
2. Select at minimum of three scaffolding strategies you will use to support learners as they move toward mastery of the competency.
3. Detail how you will use each of the strategies in your course.
4. Identify a minimum of two web tools you will use to implement the scaffolding strategies.

Your goal is to develop a plan that supports learners as they move toward mastery of the competency and toward successfully completing the summative assessment.

Target Course Competencies
